

**COLORADO HOUSE DISTRICT 61**

## Why Luke?

*“What kind of Colorado do you want to live in? Free. Fiscally sound. Prosperous. That's the Colorado that I want to live in. If we are willing to think hard together, to overcome our assumptions and our egos, we can solve Colorado's challenges.”*

*-Luke Korkowski*

### Luke's Guiding Principles

- 1. Play nice.**  
Fight for what's right, but no mudslinging allowed.
- 2. Work the problem.**  
Focus on identifying core problems, work on specific solutions, and allow substance to trump appearance.
- 3. Let people choose.**  
Freedom is both pragmatic and morally right.
- 4. Keep the big picture in mind.**  
No political issue exists in isolation from other issues.
- 5. Follow the U.S. and Colorado Constitutions.**  
We wrote them down for a reason.
